Delta Vision
Ref: Roberts Union

We highly object to this misguided and inappropriate land grab.
Roberts Union is the only "Greenbelt". When farm land is being converted to homes & buildings It makes sense to "Preserve the Greenbelt." When you have trucker strikes, E Coli, Med fly, Apple maggots leading to Quarantine, or Terrorism Acts. It makes sense to "Save the Greenbelt."
These 197 Residents are "Ag. Business" that generate $380,000,000 back to the San Joaquin Economy. 75% of the Nations Asp. is grown in the Delta among other Crops. Preserve the Greenbelt and these business.

C. Sincerely, Carole Adom
